Meeting called to order at 6:30 PM by Wayne Post at IHOP Restaurant.

Attendees: Wayne Post, Cliff Lanham, Rick Nelson, Ray Canada, Michael Anderson, Micah Greaves, Bart Granger Michael Krebs, Ted Mavrotheris, Bob Seyboth.

Meeting Minutes: A motion was made to vote on the August minutes as published, motion was seconded. The vote was approved without discussion.

Officer Reports:

President/Vice president – Frank Garcia – Absent: No report. Wayne Post would monitor the meeting. Frank is out of town on an emergency. The rewrite of club officer duties and summary of club operation is being headed-up by Frank.

Treasurer - Greg Wiren - Absent: Greg is still on the West coast. All bills have been paid. Greg will return to area on 18 Sept.

Secretary - Wayne Post - Wayne lead this meeting. His comments and guidance later within the report.

Committee reports:

Field – Michael Krebs. The field grass has been cut and in really good shape. The charging system batteries were purchased and replaced by Steven and Michael. The charging system is again in full operation. The vegetation along the road still needs to be trimmed back. Perhaps this could be accomplished in October. We need better coordination between Andrew and his Pattern Flying group and someone in the club. We want to be sure the users of the field are club members and or approved visitors monitored by Andrew or someone.

Michael also informed all that the mowers were in good operational order. Winterization will not be for another month.

Rules and Safety – Archie Phillips - Absent: No report

Finance – Greg Wiren – Absent: Greg will return on 18 Sept. He will be in attendance for the Memorial Fly Day, 20 Sept.

Contests and Events – Open - Michael Kreb will be the Memorial Day Fly-in coordinator for 20 September. There will be a need for volunteers to run fun contest, cooking set-up and clean-up. being developed.

Membership/PR – Ray Canada. Ray noted we added about 5 new members. Some of these members will need votes tonight.

Training – Rick Nelson. Shawn Holcomb (new member) was able to get in 30-40 minutes of training this past Saturday morning. He is catching on fast. Some of our new members need more flight training. If you are a sponsor and your new member has not flown in the last 20 days Coordinate with our club instructors soonest. Instructors for club are Rick Nelson, Greg Wiren. Would you like to become an instructor? Contact Frank, our President ASAP!

Programs – Frank Garcia – Absent: Micah did a Power point Presentation on the Club's Web site and how to use for new members and renewing members. Some of the problems related to renewal and pro-rating dues payments in last quarter of the year; ability to get roster of members and their phone and E-mail listings. Some of this clean-up needs to be addressed by the Ex. Board.

Newsletter – Wayne Post – Keep sending articles and pictures.

Web Presence – Micah Greaves - provided a very informative presentation on the Club's website. Since there were only eight attendees, this presentation needs to be repeated in October in preparation of reregistration in November.

NEW Club business:

1. Membership votes for August was conducted for 1st and Second votes for:

First vote for: Bart Granger and Toby Reeves. Both have flown for their sponsor, Cliff Lanham. Both were voted in as members.

Second vote for: Michael Anderson received a unanimous vote and is welcomed as a full member.

2. Ray is looking for ideas for the December club dinner location. Help Ray out!
3. There is a need for two to three members to volunteer for Nominations for club officers for 2026. We will need to know who is willing to operate as club officers for 2026. Contact Frank and or Wayne.
4. We are in need of 1 to 2 volunteers to audit the financial records before the November Meeting. Contact Frank ASAP!

A call was made for any other business. There being none, a motion was made to adjourn, seconded and approved. Meeting adjourned at 7:16 PM. Micah did a great presentation on the Club's website. The presentation was very informative and needs to be repeated for October meeting.

Respectfully Submitted,

Cliff Lanham

Announcements

NARCA Shirts: Jackie and Phyllis have stepped up to lead an effort to order more NARCA shirts for y'all. You should have received an email describing the shirts, process, prices and an order sheet. Please get your orders in at the upcoming meetings. If you did not get an email with this information let me know (waynepost@aol.com). Also see For Sale section below.

Annual Meeting in November: It will be here quick. This is the meeting to vote on next year's Officers. Consider volunteering for an Officer and/or Committee Chair position. This is a volunteer organization and we only get out what we put in. We already know we need to have a President. Also, we need to stand up a nominating committee so please volunteer. To remain a member in good standing all dues are expected to be paid prior to the official start of the Annual meeting. We need to maximize attendance at this meeting. Please attend so you can have your voice heard.

Membership Cards: Recently realized we haven't been giving out membership cards. The Executive Committee is trying to get the card function on the website working. If it doesn't, we're updating the information on our paper cards as they are outdated. Please be patient and realize several of the new members don't have cards. Apologies!

What's Going on at NARCA

This column is dedicated to photos of NARCA member's activities. Please snap a photo of whatever you're doing at the field and email it to newsletter@narca.club. Include a brief note about it and I will put it into the newsletter. Thanks for the inputs this month. Keep 'em coming.

NARCA Memorial Fly-in: NARCA held its first Memorial Fly-in on 20 October in honor of those we lost this year, George Ritenhouse and Robert Stewart. They were active members in our club. We will miss them dearly.

Somewhere between 15-20 members showed up throughout the day. Some brought additional family members to introduce them to our hobby. The weather was good so there was lots of flying. Steven set up various fun events, spot landings, limbo, and a few others. Michael manned the grill again dishing out 5 star hot dogs. Most folks came back the following week on the 27th. A few members who couldn't make the 20th came as well. The 27th was a repeat good time. Thanks to all who helped. Lots of pictures follow.

I'll also teach the buyer how to print with it. It is super easy.
Price is \$300.00 First come first serve.

The print volume for the Prusa MK4S is 250 x 210 x 220 mm (9.84 x 8.3 x 8.6 inches). This measurement represents the maximum printable area in the X, Y, and Z axes, respectively, for the 3D printer.
