Happy New Year!!!!

I first want to wish all our NARCA members and their families a very Happy and Healthy New Year!! What a great New Year's Day Fun Fly we had! I want to extend my thanks to all our members that attended and especially those that brought all that great food to eat. We couldn't have asked for a better January Day and it looked like we all had a great time. I know we had a few aircraft incidents involving the trees but I look at that as an opportunity to improve your building / repair skills!

I'm looking forward to the New Year and lots of flying. I hope you all come to the field as often as you can and let's all try to get a friend or family member interested in the hobby.

Announcements

- **Gene Moore sent the following short note:**

This is a great club for the little time I've been in it. I found my new job and it's in New York so I can also be with my daughter and her family. It's all happening very quickly. I will not make it out again today, good bye to those I've met.

Will miss y'all
