NARCA Flyers,

Another month has passed and summer is finally approaching. Looking back, we sure had a bunch of rainy days, but hopefully better flying weather is in our future. Cub Day was a great success and I was surprised at all the new faces. I'm hoping that we have another great turnout for the NARCA Fun Fly on Saturday the 20th. We should all pray for good weather and make time to come out and have fun!

Steve and the Field teams have been doing a great job keeping our field "Flight Ready" and I encourage everyone to volunteer to help maintain our field. It would only cost you a couple hours a month. Also, make sure to put June 11th on your calendar and attend our General Meeting at 6:30 PM on the flying field. We'd like to have all our club members come and join/participate in the meeting. I look forward to seeing a lot of new faces!

That's all I have for this month except to say, "I hope to see you at the field!"

FLY SAFE!!!

Bob Seyboth
NARCA President

NARCA General Meeting Minutes 14 May 2025 (to be approved)

Meeting called to order at 6:32 PM by President Robert Seyboth at Epps Field.

Attendees: Robert Seyboth, Chuck Pierce, Greg Wiren, Wayne Post, Rick Nelson, Kevin Reynolds, Harry Croce, Steven McGurty, Jerry Boak, Cliff Lanham, Dennis Morris, and Jackie Farmer

Meeting Minutes: There were no minutes to approve since no business was conducted at the previous meeting hosting the Duane Black Show and Dinner.

Officer Reports:

President – Bob Seyboth. Great Job on Cub Day. Lots of kids, great cooking, and awesome weather for all the participants.

Vice president – Chuck Pierce. Happy to fill in for Bob for past few weeks. Nothing else to Report

Treasurer - Greg Wiren. All is well.

Secretary - Wayne Post. Nothing to report.

Committee reports:

Field – Steven McGurty. Good team. Grass cutting is going well, members are showing up to support. Mowers are running well. Recently added new electric weed eater and blower.

Rules and Safety – Archie Phillips – Absent, nothing to report.

Finance – Greg Wiren – Operating within budget.

Contests and Events – Open – Next event will be our Fun Fly on 20 Jun which Michael ran last year.

Membership/PR – Ray Canada. Absent. Kevin reported continuing preparation for the engagement with the Harvest Youth Group. Ray and Kevin (with the help of other members) will conduct a 7-week course with them covering various aspects of flight to end up giving buddy box flights at the end. He plans to have the sessions Mondays 3-4 from Jun 8th to Jul 27th. July 20th will be a flying day at the field. Ray and Kevin are looking for additional volunteers to help with this effort. If you're available, please contact Kevin Reynolds and Ray Canada.

AMA awarded training kits to many clubs involved in the IPP program. NARCA is one the clubs this time. Thanks to the team who applied. for the trainers highlighting Kevin's previous community effort.

Training – Rick Nelson. Not too much training going on. He reminded the group lots of ticks are out now.

Programs – Chuck Pierce. Trying to get AJ to bring his full-scale Cub down to our area for one of the summer meetings.

Newsletter – Wayne Post. Reminded attendees to let me know about desired content – items to add or delete.

Web Presence – Micah Greaves – Absent, no report.

Old Business:

- The second vote for Bruna was a unanimous yes.
- Lease is in to Mr. Epps for review. Nothing heard back yet.
- Water leak was fixed.

New Business:

- Collected \$33 on Cub Day from donations
- Greg suggested we add an informal swap meet to each of our events and put it on any flyers and invitations we put out. Also recommended official hours for flying events be from 10am to 3pm.

A call was made for any other business. There being none, a motion was made to adjourn, seconded and approved. Meeting adjourned at 7:01 PM.

Respectfully,
Wayne Post
NARCA Secretary

Announcements

- **Epps Field will be Closed July 4th for RC Flying**
- **Summer STEM Program with Harvest Youth Club (from Ray Canada)**

Hello to all, hope you're staying cool and enjoying the beautiful weather (maybe a flight or 2). As we get closer to the beginning of our partnership with the Harvest Youth Club, I wanted to reach out and ask for your help. We begin Monday June 8th at 3 pm and will continue weekly through the 20th of July, at the Youth Center, then on the 27th of July the children will join us at the airfield to culminate all their hard work and enjoy a day of fun, food, and flying.

- I am asking you to help me make this a great experience for the children as well as every member of our club and volunteer your time and love for this great hobby.
- Please contact Ray Canada or Kevin Reynolds or any officer to help with this.
(Ray Canada, 256 783-4250, Rcbama1500@ gmail.com)
- Harvest Youth Club is at 230 Lockhart Rd., Harvest AL., 35749
- **The Grass has been looking Great – Thanks to the mowing teams!**

This Month at NARCA

This column is dedicated to photos of NARCA member's activities. Please snap a photo of whatever you're doing at the field and email it to newsletter@narca.club. Include a brief note about it and I will put it into the newsletter. Thanks for the inputs this month. Keep 'em coming.

NARCA Community Outreach w/ Harvest Youth Center

NARCA is engaging with the Harvest Youth Center to familiarize 5th and 6th graders with the RC hobby. These sessions are held from Jun 8 – Jul 20 every Monday at 3 PM

**Location:
Harvest Youth Center
230 Lockhart Rd.,
Harvest AL, 35749**

The last session at the Youth Center is on July 20. An eighth session will be held at the field on July 27 where students will receive a training session.

We could always use more members at these sessions, especially for the training session on July 27 (we will need around 10 people to help at this one). If you would like to help please contact Ray Canada (256 783-4250, Rcbama1500@ gmail.com), Kevin Reynolds or any officer to help with this.

June 8th Activities

June 8 was the first of seven sessions to familiarize 5th and 6th graders with the RC hobby. After a brief orientation by Kevin Reynolds, Bryan Moorehead and Isaac Smith provided drone and 3D flying demonstrations. The students were very impressed by the demos and asked good questions. They were excited about the class. This is an outstanding opportunity to introduce this generation to our great hobby.

Cub Day 2026

Cub Day this year was a huge success. The weather was awesome and we had a great crowd. Approximately 21 adults came out with 17 Cubs and other aircraft. Three families as visitors. Total of 10 kids that were given Buddy box training. There was a lot of flying with minimal losses. The food was great and the club collected a few dollars in donations. Thanks to Greg Wiren for leading the effort and to all the folks who helped make it a success especially Dennis Morris and Cliff Lanham for cooking and setup.
