Eagle's Nest

NARCA members,

Greetings NARCA Members! I pray this newsletter finds you and your family in good health and enjoying our welcomed Fall weather. I'm certainly looking forward to the cooler days for flying.

This month's meeting is coming up on Thursday October the 8th and we're hoping you can find the time to join us at Big Whisky's in Madison. We had a pretty good turnout last month and everyone agrees the food is great. We'll be having another drawing this month for our club members with a few items that we hope will support you're flying and building habits.

We also are putting on a Memorial fly-in on Saturday the 17th of October. We will be having some fun flying events, an area where folks can sell their RC planes and supplies, and our trainer Jack will be there if some of our visitors want an introductory flight. We will also have Hot Dogs, chips and soft drinks for everyone around noon. Please come out and bring your family to support and enjoy our club event and to honor our past members.

Lastly, please don't forget we are coming up on our November Club meeting where we vote on and install new club officers. We are looking for volunteers to sign up for one of the club officer positions to help the club through the year to serve our members better and provide an enjoyable flying environment. Please talk to Cliff Lanham or any of our club officers if you're interested in volunteering to support our club.

Regards,
Bob Seyboth
NARCA President
